

Statement of Opal Henke
To
Committee on Banking and Financial Services
Subcommittee on Housing and Community Opportunity
On HR 1336

May 4, 1999

I am here to speak in
regards to senior housing.
I live at Westview Apts.
here in Wahoo along with
65 others and more than
half were farmers or
farmers wives and don't
get much social security
and without help they
could never survive. With
the cost of medication etc.

Housing in Wahoo is
very high being close to
Omaha and Lincoln and
people commute.

All of the senior's
here at Westview I am sure
appreciate the help you
are giving them. And I ask
you please to continue
what you're doing.

Thank you, Opal Henke
